Dear Kanchan,

Metro Auckland System Level Measures Improvement Plan

Please find attached the combined Auckland Waitemata Alliance and Counties Manukau Health Alliance System Level Measures Improvement Plan for 2018/2019.

A collaborative approach between Primary Health Organisations (PHOs) and the District Health Boards (DHBs) across metropolitan Auckland has been used to develop this joint Improvement Plan for 2018/2019. Collaboration will continue between the DHBs and PHOs in implementing the Improvement Plan.

The Auckland Waitemata Alliance and Counties Manukau Alliance Health Alliance have reviewed the attached Improvement Plan and have fully endorsed it.

Yours sincerely,
